Title: Outstanding Professional Service Award

Purpose: The Outstanding Professional Service Award is designed to encourage, reward, and publicly acknowledge sustained excellent contributions in professional service by members of the University’s faculty. The award recognizes exceptional professional service within the university through departmental, college, and institutional service or leadership, or a record of substantial external service at the state, regional, or national, level, state leadership positions or a combination of university and external service.

Administrators with faculty rank are ineligible for faculty awards (i.e., receives a Contract for Faculty Ranked Administrators). In other words, only faculty members who have been issued a fiscal or academic year Tenured Personnel, Non-Tenured Personnel, or Non-Tenure Track Personnel contract are eligible for this award. Award winners are not eligible to reapply. The award recipient must be under contract at KSU when the award is presented.

Award Amount: Each award consists of $10,000 and a plaque.

Number and Frequency of Awards: One award may be presented annually. However, if there is no outstanding candidate, an award may not be granted.

Award Criteria: The candidate must demonstrate a significant contribution to the academic community through their professional service activities. There should be substantial evidence that a nominee’s service activities have had a significant positive effect at the University and/or the community, regional, or national levels. Service must extend over multiple years.

Evaluation Criteria: The Outstanding Professional Service Awards Selection Committee will rank applications according to the “Award Criteria” in terms of the demonstration of the nominee’s productivity and the impact or significance of the nominee’s professional service.

Application Deadline: Applications must be submitted via email to Brian Wooten at bwooten@kennesaw.edu by March 12, 2018 5:00 pm.

Procedure: Nominations will be evaluated by a university committee including one member from each of the degree granting colleges. Since members serving on this committee may not be experts in the nominee’s field, it is important that nominations be submitted in language understandable to faculty in other disciplines.

Due to the competitive nature of this award, multiple noteworthy applications may be reviewed in a given year. If not selected, nominees are encouraged to reapply the following year. Renewed applications may include the original packet of letters and documentation with updated information to document the previous year’s service.

The honoree will be recognized at the University’s annual Honors and Awards Ceremony at the beginning of Fall semester and agrees to be present if selected.
