

Title: *Perspectives on Global Issues Workshop - SUSTAINABILITY*

Purpose: The purpose of the workshop is to expand faculty understanding of and engagement in broad topical policy debates and discussions occurring in the world today, thereby providing them with an additional foundation for bringing these themes back to the campuses of KSU and extending the engagement to our students and surrounding communities. This year's topic will focus on "sustainability" the notion that we "...*create and maintain the conditions under which humans and nature can exist in productive harmony to support present and future generations*" (US EPA). See the "Call for Applications" on the "Development and Awards" section of the Faculty Affairs website for more details.

Eligibility: Any full-time permanent teaching faculty. Administrators with faculty rank are ineligible for faculty awards (i.e., receives a Contract for Faculty Ranked Administrators). In other words, only faculty members who have been issued a fiscal or academic year Tenured Personnel or Non-Tenured Personnel contract are eligible for this award.

Application Procedures: Faculty will complete the application form below and submit to the office of their dean by 5:00 pm on 20 January 2017.

Applications of the two college nominees, in rank order, will be forwarded to the Office of the Associate Vice President for Faculty by 5:00 pm on 13 February 2017.

Evaluation Criteria and Procedures: Each college will select two nominees to be forwarded in rank order to the Associate Vice President for Faculty. Criteria for selecting participants will be based on the quality of, and details provided in, the faculty members responses to the questions on the application form. In a case where the person ranked first cannot accept, the second ranked person will be invited to attend the workshop.

Notification: 15 February 2017.
