KSU Tenure Track Open Rank Summary

Kennesaw State University is now accepting applications for an open rank tenure track faculty position. Rank is determined at the time of hiring and will be commensurate with experience.

KSU Tenure Track Responsibilities

Include the following, at a minimum:

- Nine-month or twelve-month
- Tenure track
- Teaching expectations (may be specific classes or general statement, graduate and/or undergraduate level)
- Service (may be specific service expectations or general statement that some service to Dept/College/University/professional community is expected)
- Scholarship/Research expectations (may be specific requirements or general statement that scholarship activities are expected)

Other responsibilities that might be listed include the following:

- Program development expectations
- Recruitment expectations
- Dissertation/thesis supervision
- Student teaching/clinical supervision
- Advising
- Working with a diverse community

Other qualifications desired to be considered as an ideal candidate.

KSU Tenure Track Required Education/Qualifications

- Minimum degree (e.g., Master’s degree, earned doctorate; if a specific terminal degree such as Ph.D. is listed, then you can only hire someone with that exact degree) or the equivalent is required.
- Area of specialization (as appropriate)

KSU Tenure Track Ideal Qualifications

(Anything you list should be criteria by which candidates will be measured.)

- Licenses, certifications, or professional memberships
- Specific experiences or skills (e.g., prior teaching, familiarity with specific techniques)
- Evidence of scholarship/creative activities
- Evidence of teaching and working with a culturally and an ethnically diverse community
- Administrative experiences such as dealing with budgets, hiring, retention, etc.
• International experience
• Experience teaching on-line or hybrid courses
• Record of past teaching at a particular level (e.g., graduate vs. undergraduate) or area (sub-discipline)
• Post-doc experience
• Prior success in obtaining extramural funding
• Experience in a clinical practice
